

MARCH 2013 Mission- Arua and Budo, Uganda

Arua Leadership Conference

Randy had the privilege of joining Pastor Jose Zayas, Pastor Mike McDonald, Pastor Peter Kasirivu and Pastor JP Kiberu in Arua, Uganda to teach the Word of God, to encourage and to challenge Pastors and Christian leaders at a Conference in NW Uganda. About 200 Christian leaders joined us over the 4 days of ministry and many said it was the best conference they had ever attended. Pastors and leaders came from the Congo, Cameroon, and other areas of Uganda to fellowship and to grow in their ministry capabilities. Randy also distributed Evangecubes and trained a number of leaders on how to use them to share the Gospel.

Arua Community Church

Pastor JP and his wife Rose are missionaries to Arua, moving from Kampala to this remote town near the Congo and South Sudan. Working through Africa Renewal Ministries and with the assistance of Solid Rock Fellowship, the land has been purchased just outside of Arua, the concrete floor has been poured and a temporary tent installed to use for worship services. Randy and Jose both spoke at the Church on Sunday morning and enjoyed the packed service full of joy, worship and time in God's Word. Each of the children attending received colorful stickers from us which they immediately put on their arms and face – running around showing each other.

September Mission Planning

A committee of local Pastor's and leaders has been established in Arua to prepare for a community outreach this September. Randy will be leading a team in partnership with Jose Zayas Evangelism

MARCH 2013 Mission- Arua and Budo, Uganda

International to continue reaching the community of Arua and surrounding villages with the Gospel of Christ. We held a dinner for the committee to pray together and launch the planning for this event which will include a large nightly festival, daily outreach to schools, hospitals and nearby villages. We will also continue to minister to the area surrounding Arua Community Church, to bless them and help Pastor JP to reach out to his new neighbors surrounding the church property.

Budo Community Church

Before leaving Uganda, we visited our friends Pastor Jonathan Kabanda and his wife Olive at Budo. Jonathan is an evangelist and also started Budo Community Church about a year ago. Randy led a team from Woodhaven Community Church to Budo last year and we were blessed to spend a few days in community outreach to Budo as well. The plan is for our September team to also spend a few days in Budo holding a Children's Festival and Youth Outreach events. Visits to local schools are also planned.

Thank you for praying and sending us to Proclaim Christ – Equip Leaders – and Serve the Needy
