

Arua and Budo, Uganda Mission -- September 2013

Randy had the privilege to lead a team of 10 from the US who joined with about 20 Ugandan friends to share the Good News of Jesus Christ with over 35,000 people in two weeks of ministry. We visited many schools, a hospital, held mini-festivals in the villages near Arua, as well as a large festival sponsored by our friend Jose Zayas with attendance averaging 10,000 per night! What an amazing thing seeing over 3,200 commitments to follow Jesus Christ as their Savior!

Our second week of ministry included a children's outreach festival with an estimated 800 children and youth attending the fun day in Budo, Uganda. Our good friend Pastor Jonathan Kabanda continues to do a great job reaching out to his community after starting the Church just a year and a half ago. All of the children were fed a good meal, and had a wonderful time dancing, singing and learning about Jesus. It was such a sight to see children walking miles to come experience this rare event focused on the kids.

Usher In was also able to provide study Bibles and other books to Pastor's through the generous donation of a friend of the ministry and Randy Alcorn of Eternal Perspectives Ministries. These are a huge blessing because they have good Bible Study notes and commentary to help the Pastor's in their teaching and preaching.

We are so grateful for those who made this ministry possible and we give thanks to the Lord for your participation in getting the Gospel to the ends of the earth!
